## It's Time to Move Our Union in a New Direction

### *A Letter to Local 743 Teamsters from Richard Berg*

Dear Sisters and Brothers,

On Sept. 24, every member of Local 743 will be mailed a ballot to elect new officers for our union. This election is our chance to move our union in a new direction.

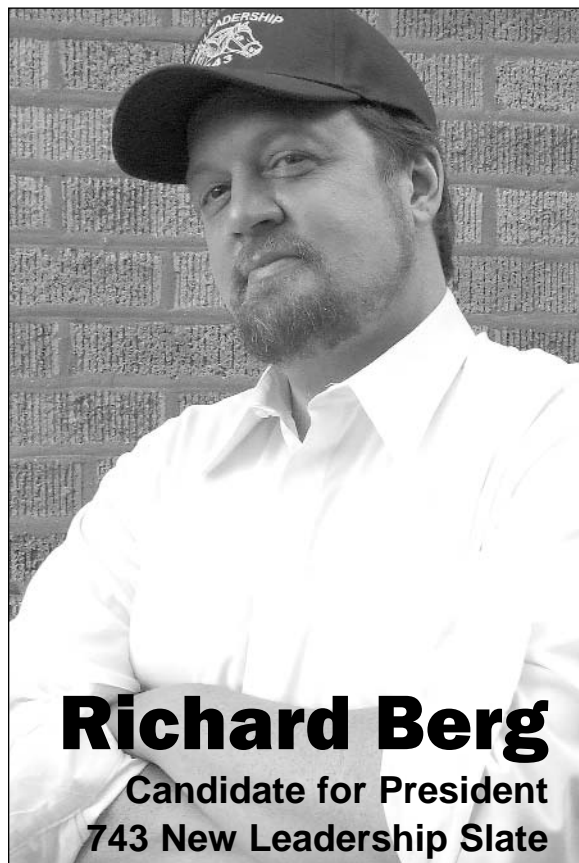

**The old officers and business agents are finished.** Richard Lopez, the outgoing president, just got indicted, along with three former business agents, for stealing the last election. Robert Walston, the former president, mysteriously resigned. They may be headed for jail time for their corruption.

As a result of their crimes, this election will be conducted impartially by the U.S. Department of Labor. This is our chance for a completely fair, secret ballot. Now it's up to all of us to get out the vote and finish the job.

**When we take office we will give you, the members of Local 743, the type of representation that you deserve.** Decent wages, benefits and union officials that listen and respond to you—these are attainable goals.

Sisters and Brothers, we need your help to finish the job. Talk to your co-workers and help us get the word out. Vote for the New Leadership Slate so that together we can change the union!

In solidarity,  
Richard Berg
